

FINAL SOLUTION AND WALKTHROUGH (3 pages)

Medallion “**Stashed**” “**In a tree**” in Millerwood Park in New Albany, Indiana. The tree looks remarkably like the one on the “Welcome” Page.

If you go there, notice the “Gump-like” bus stop bench at the corner of Millerwood Drive and Charlestown Road.

You can also enter from the Sherwood Subdivision entrance. Park on “Brookwood” Drive (***Along by a Brook***) and walk over the “***Footbridge***” into the park.

The word “***Archimedes***” was hidden on the squirrel tails in the Welcome Page of the Hunt.

Archimede\$ was the engraved password on the Medallion.

“*Archimedes*” was Merlin’s wise old owl (Guardian Owl) in the Disney classic “*Sword and the Stone*” Archimedes’ word “Eureka” in greek letters appeared in the “Walks in the Wood” clue.

David Gilmore’s song “*Where we start*” inspired the poem on the Welcome page and “Pink Floyd’s “*Money*” which Gilmore sang, was the inspiration for the Morse Code clue.

Thus, the Hunt started and ended at the tree represented in the “Welcome”

The movie “Forrest Gump” started and ended with the feather and the “Curious George book.

The “Gump” tune sensations are represented by the Album on which they originally appeared. Order the songs **as they are heard** in the movie—
“Forrest Gump” as follows:

- 1) "Hound Dog" (Elvis)
- 2) "Fortunate Son (Willy and the Poor Boys)
- 3) "All Along the Watchtower" (Electric Ladyland)
- 4) "California Dreamin’” (If you can believe your eyes and ears)
- 5) "San Francisco" (The voice of Scott McKenzie)
